

APPLICATION FORM TO BE A HELPER FOR CHILDREN AND YOUNG PEOPLE'S MEETING AT FOREST HILL QUAKER MEETING

Children and young people are central to the life of Forest Hill Meeting and we aim to support the emotional and spiritual life of each child and young person in our care. Children and young people need to be cared for in a safe environment and feel confident about the adults around them and it is the Society of Friends' duty to protect children from harm of a physical, emotional or sexual nature. We take our Safeguarding responsibility very seriously.

Helpers work under the supervision of verified volunteers, do not lead activities and are never alone with children.

We ask all prospective helpers with children and young people to complete this form. The information will be kept confidentially by the CYP steering group, unless requested by an appropriate authority.
